

We are finally here!! Peru!!

Hello Family!!

Hola amigos! 🇺🇸 We are finally here! It was a long journey, from Fort Worth to Florida in an RV, to Jeremy and Eliya flying first, then the long process for the dogs to arrive in Lima (which they did great), and then Sandra and Ezra flew in on May 31st. Finally together and adjusting to all the changes of a different country.

Thank you all for all your prayers and support, we are in awe of how God has opened doors, worked things for our good and the wellbeing of our dogs.

Our next steps are working on getting our documentation (Sandra and the kids' Peruvian ID and Jeremy's resident card), also for us to be able to get our banking setup, looking for a house or apartment to rent and furnish the house. The process takes some time but we'll get there. Please be praying for all this to come together and for the right house the Lord wants us in.

We are already adjusting (learning) to the new rhythm of life. The airbnb we have for this first month is great, the only downside is its on the 7th floor, which means lots of trips up and down for the dogs and us, but thankful for a great area for us to take the dogs to a nearby park.

We will have more updates along the way but we just wanted to send this quick one out to let you all know we are all here and doing good! We are truly blessed by you all and thank you for the prayers!! You are in our hearts and prayers and we look forward to sharing more in this next month.

If you would like to stay more connected follow us on [facebook](#). We will post more periodically there and on our website we will do more monthly updates. If you are not on social media and/or would just like to know how we are doing, please reach out to us by phone or a text message. Our phone numbers are the same and we would love to hear from you.

We can't thank you all enough...!!! ❤️

Prayer Requests:

- Pray for the house that God already has prepared for us in Peru.
- Pray for God to lead us into godly friendships in Peru for our kids and us.
- Pray that God will continue to prepare and equip us to do His work in Peru.
- Pray for our kids as we transition to Peru. For peace and contentment as they trust God and walk by faith. Also for them to be able to see outward to God's guidance and plan instead of inward to their fears of the unknown.
